

Join the Soul of Solvere's Community Mentor Program!

Share Your Experience

A strong mentor-mentee relationship can help new team members learn the ropes from a veteran, while also helping the more seasoned team member see solutions and approaches to company initiatives from a fresh perspective. The purpose of the Soul of Solvere's Community Mentor Program is to provide

an additional source of support during a team member's orientation, not only from someone who has years of experience, but who is also trusted to share our vision, mission and values.

✔ Benefits include:

- Pay increase – 50 cents/hour
- 90-day retention bonus after new team member completes 90 days – \$100
- 6-month retention bonus after new team member completes 6 months – \$200
- "Mentor" designation on nametag

✔ Requirements to apply:

- Must be Solvere team member for at least 6 months (if there is discipline/ counseling on file nominee is disqualified)
- Outstanding team member who exceeds expectations by maintaining a performance review score of 4 or 5
- NOTE: Mentors will serve a one-year term. If a mentor wants to continue after the one-year term, they must reapply and be selected

✔ Mentor Responsibilities:

- Involvement in interview process prior to hire
- Orient new team member to the community and provide tour of the community
- Accompany new team member to lunch during orientation
- Regular, weekly 30-minute meetings for first 60 days
- Allow new team member to shadow to gain insight into how the mentor succeeds daily for first 3 days of employment
- NOTE: mentor's individual performance at the community must remain unchanged and in good standing
